

Volume Dealer program

50% off complete systems on orders of ten Dual Floor systems or equivalent complete-system value. Any qualifying model mix is eligible.

50% OFF MSRP

\$4,047.50 per complete Dual Floor system

\$40,475

Minimum qualifying system merchandise value

EXAMPLE: TEN COMPLETE DUAL FLOOR SYSTEMS

Product	Qty.	MSRP each	Your price each	Line total
Complete Dual Floor system	10	\$8,095.00	\$4,047.50	\$40,475.00

Included per system: POST A + POST B + DPULL + one compressor. Ten systems include ten compressors. Reference retail value: **\$80,950**. MSRP is suggested, not a guaranteed resale price.

Proposed payment: 20% deposit **\$8,095**; remaining merchandise balance **\$32,380** before dispatch. USD. **Handling: \$400 for 40 boxes**. Merchandise + handling: **\$40,875**, plus actual freight and tax. Installation is additional.

PROPOSED DEAL POINTS

Qualification & fulfillment. One order must reach \$80,950 in complete-system MSRP (\$40,475 at 50% off), equivalent to ten Dual Floor systems. Any complete-system mix may qualify. Accessories, freight, handling, and tax do not count. Deliver together to one dealer location; keep one included system as an operating demo for 180 days.

Nonexclusive relationship. You purchase and resell as an independent authorized dealer. Flexline may recruit and appoint other dealers, sell directly, and manage its own marketing and distribution. No exclusive territory, master-distributor rights, or control over other dealers is granted.

Allocation & payment protection. A signed dealer agreement, accepted quote, and deposit reserve the confirmed allocation. Proposed deposit terms: refundable before the ready-to-ship notice; balance plus handling, actual freight and tax due within five business days of that notice, before dispatch. An agreed ship-by date and refund rights for missed shipment will be documented before payment.

Launch timing & support. Target warehouse availability is February 28, 2027, subject to confirmation. Flexline plans product training, sales assets, promotion through FlexlineFitness.com, and eligible dealer lead referrals supported by paid marketing. No lead volume or advertising spend is guaranteed.

Accessories & future orders. BAR, WALL kits, and extra handles are separate. Same-shipment accessories receive 40% off MSRP: BAR \$179.40; WALL \$897; extra handle \$119.40. Standalone accessories do not count toward qualification. The 50% rate applies to all complete systems in an accepted qualifying order. Reorders qualify independently.

Shipping & handling. \$10 per shipping box, without dealer discount. Each Dual Floor system has four boxes: POSTA, POSTB, DPULL, and COMP. Extra accessory boxes add \$10 each. Buyer pays actual freight; charges are approved before order acceptance and paid before dispatch.

Mutual certainty. Final written terms will confirm pricing, allocation, warranty coverage, service responsibilities, returns, and cancellation/refund rights before any payment. This discussion outline creates no obligation to purchase or supply.

Next step: Confirm your preferred quantity, sales channels, and delivery location so we can prepare a dealer agreement and opening-order quote.
